

The Return of Maestro Insana 3

I took the Maestro (at his request) to a rock-Folk festival and he took to it like an Italian
To a wedding, tripping out his own quaint way
On Dago red and Thunderbird, quietly enjoying
The screaming, the souling, the rocking, the folking.

The Return of Maestro Insana 4

Having learned that Nixon was elected President,
The Mets had won the World Series, and Tiny Tim
Was bond in wedlock, the Maestro hired a bomb
Shelter, fearing the Apocalypse was at hand.
Only upon learning that J. Edgar Hoover still
Lives could he be persuaded to remain outside.
